S.T.PET JIKKANSHOSHU CAT LITTER SYSTEM

System toilet for cat / Japanese Package

Triple deodorizer with all-natural deodorizing ingredients!

<For Starter Kit>

- The natural deodorizing effect by combining Hokkaido fir tree (Sakhalin fir) powder not only in chips and sheets but also in odor-filled drainboards that exerts a triple high deodorizing effect.
- The cover can be fully opened, making it easy to clean every day, and prevents the spread of smells when closed.
- The fabric-type cover goes well with your daily life with its anti-fouling and anti-odor bacterial treatment that prevents stains and odors from sticking.

<For Refill Deodorizing Chips>

- The natural deodorizing effect of Hokkaido fir tree (Sakhalin fir) powder and functional nanopowder* are combined to exert a high deodorizing effect not only on urine but also on poop odors.

*Odor absorbing eliminator with nano-level pores.

- Antibacterial chips.

*Not effective against all kinds of bacteria.

- Cat paws stay clean because chips do not harden with urination.

<For Refill Deodorizing Sheets>

- The natural deodorizing effect of Hokkaido fir tree (Sakhalin fir) powder and citric acid are combined to exert a high deodorizing effect on unpleasant odors from urine.

- Excellent absorption of one week of urination eliminates cleaning worries.

- Antibacterial sheets.

*Not effective against all kinds of bacteria.

MORILABO POLLEN BARRIER SPRAY

Pollen Guard Spray / Japanese Package

Double barrier against pollen*¹ just by spraying

- Blocks 99% *² of all viruses.
- Refreshing scent of forest.
- Can also be used over makeup.
- Paraben-free.
- Skin allergy tested*³.

*¹ When spraying, it reduces the action of allergens by coating cedar pollen that floats around the face and hair. After spraying, the barrier layer wraps around the surface of skin and hair to suppress the adhesion of cedar pollen in the air.

*² Does not block all viruses. *³ Does not mean all people will be free from skin irritation and allergies.

This product does not completely prevent pollen adhesion. It is more effective when taking measures such as hand washing and mouth rinsing at the same time.

No.	Name	Contents
	MORILABO POLLEN BARRIER SPRAY	50mL

MORILABO POLLEN BARRIER STICKER

Pollen Guard Sticker / Japanese Package

Guard pollen with aroma* just by putting a sticker

- Simply put a sticker containing fragrance component that extracted from fir trees in Hokkaido (Abies sachalinensis). It guards the pollen floating around your face*.
- The effect lasts about 5-6 hours (depends on usage).
- Contains 40 sheets.
- It can also be used for countermeasures against pollen in children who do not want to wear a mask. (Use under the supervision of adults.)
- Refreshing scent of forest.

*This product contains of approximately 30% of the extracted oil of Abies sachalinensis. Reports have shown that it can reduce the allergen activeness while coating on cedar pollen.

No.	Name	Contents
	MORILABO POLLEN BARRIER STICKER	40PC(S)

FAMILY PREMIUM PROTECT VINYL MEDIUM-THICK GLOVE

Glove / Japanese Package

Antivirus processing maintains cleanliness

●In addition to the antibacterial effect of the entire glove, the antivirus surfaces reduce viruses from surfaces by 99% or more.

*Tested by Kitasato Research Center for Environmental Science. Test No. 2020_0569

●Hygienic because the inner “antibacterial and mold preventing components” prevent growth of bacteria and mold causing odors.*

*Not all kinds of viruses, bacteria and mold are eliminated.

●Two-layered structure protects against tears.

●Uneven processing (“Dry-touch” processing) inside of gloves makes it easy to put them on and take them off.

●Highly resistant to detergents and bleaches.
