

# Material Safety Data Sheet

## 1. Product and Company Identification

Product name : Moth Proofer  
MUSHUDA 1 YEAR FOR WARDROBE  
Manufacture : S.T.CORPORATION  
Address : 4-6,2-Chome, Shimo-ochiai, Shinjuku-ku, Tokyo 161-0033 Japan  
Department in charge : Quality Assurance Section  
Telephone : +81-(0)120-145-230

## 2. Hazards identification

Environmentally hazardous substance

## 3. Composition/ information on ingredients

Contents : Profluthrin  
Isothiazoline anti-mold agent

## 4. First-aid measures

IF ON SKIN( or hair) : Rinse thoroughly with water and soap.  
Get medical attention if you feel unwell.  
IF SWALLOWED : Rinse mouth. Immediately get medical attention.

## 5. Fire-fighting measures

Extinguish method : Extinguish by radiating or spraying fire extinguishing agents to the fire.  
Extinguishing agent : Water spray, sand, powder, carbon dioxide, form, etc.

## 6. Accidental release measures

: Avoid release to the environment.  
Collect spill.

## 7. Handling and storage

Handling : Do not use in a place where the temperature is high.  
Handle with care to prevent direct contact with eyes and skin.  
Storage : Keep sealed and store in a cool, dark place, away from direct sunlight.

## 8. Exposure controls/ personal protection

: No data

## 9. Physical and chemical properties

Appearance : Pulp impregnated with contents and slight characteristic scent.

## 10. Stability and reactivity

Stability : Stable under normal use conditions.

## 11. Toxicological information

: No data

## 12. Ecological information

: No data

## 13. Disposal considerations

: Dispose of the waste properly as waste in accordance with applicable local regulations.

**14. Transport information**

UN number : UN3077 Class 9 Environmentally Hazardous Substance Solid Packing group III

\* This product can be transported in the same way as non-dangerous goods with UN classification although the product has UN number 3077.

Recommendations on the TRANSPORT OF DANGEROUS GOODS :SP335  
/UNITED NATIONS

ICAO/IATA:A158

IMDG:2.10.2.7

**15. Regulatory information**

Follow local regulations.

**16. Other information**

The contents are based on the materials, information and data available at the time of preparation, but no guarantee is made as to content, physicochemical properties, hazards and toxicity, or environmental impact information.

The precautions are intended for normal handling of general household products, and in the event of special handling, please take safety measures appropriate to the requirements and usage before using the product.
